## SHINE SMARTMIRROR

Congratulations for making a good choice and thank you for supporting Finnish work and family entrepreneurship. SHINE is an elegant interior design product that combines impressive Scandinavian design with electronics. Selay Live products are designed and manufactured in Finland. Please read this and other instructions carefully before use.

### INSTALLATION:

The Selay Live SHINE smart mirror can be mounted with the included VESA mount. Detailed instructions for VESA mounting are provided in a separate appendix. You can mount the IR sensor either under the wooden frame or on the edge.

**NOTE! THERE MUST BE ENOUGH SPACE BETWEEN THE WOODEN FRAME AND THE WALL FOR VENTILATION (MIN. 3MM) OR SUFFICIENT VENTILATION MUST BE CARRIED OUT IN ANOTHER WAY.**

### PRODUCT MAINTENANCE:

- Wooden frame can be wiped with a damp cloth.
- A microfiber cloth and traditional window cleaners can be used to clean the mirror surface. Note! However, do not spray window cleaner on the wooden frame. Do not use abrasive detergents on the mirror.
- It is a good idea to wipe / vacuum the dust from the back of SHINE from time to time.

### MANUFACTURER'S WARRANTY:

- Concerning problems or warranty, please contact your product dealer first.
- Should you notice an error or defect in the product, you must file a complaint no later than two months after discovering the problem.
- The manufacturer grants a 1 (one) year warranty for the product. (The warranty does not cover broken glass)

### FREQUENTLY ASKED QUESTIONS:

**Can I keep the screen always on?**

- Yes, the screen is a 24/7 monitor

**How do I watch TV on my device?**

- For TV services, you need a set-top box connected to an antenna or cable network

**Can I watch streaming services from my device?**

- For streaming services, you need an external device such as a Chromecast or Apple TV

**Why does the screen turn off automatically?**

- Check the display settings for AUTO SLEEP
